

Front Garden Competition

NOW is the time to enter this fun event. It is not about grand design and weed-free gardens, but hopefully brighten our street scene generally, especially if you encourage neighbours to enter too.

Last date to enter June 19th

Judging will be during the week of 28th June

There are three categories from Window Boxes up, with prizes kindly donated by Broadmoor Hospital.

Gardens need to be visible from the pavement so that other people may enjoy them in passing.

Please call Maureen Myers - 01344-772325
